Date:— Bombay, 9th October, 1956.

With reference to your letter of the 9th October, I shall be glad to learn how this case stands.

It will be noted that the crewshaft Survey becomes due at the end of February, 1957, and that the Boiler Survey became due at the end of November last.

We have had no further news from the G.O.I. of their intentions regarding the above ship.
