LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, London, E.C.3

Classn(S)
RNC

11th April, 1956.

Dear Sirs,

LLOYD'S REGISTER OF SHIPPING
Steamer "KUTUBTARI"

I have your letter of the 29th March and note that the Scindia Steam Navigation Co., have informed you this ship has been sold to the Director General Supplies and Disposals, Government of India, New Delhi, for service in the Andaman Islands.

As the restricted class for service between Colombo and Tuticorin at present appearing in the Register Book apparently no longer applies, the case must be reported to the Committee at an early date, and with a view to the fullest possible information being available, I shall be obliged if you will endeavour to ascertain and let me know whether the ship has already left her sphere of service and is now in the Andamans, also whether the new Owners desire to maintain class which, as already indicated to you, will raise some considerable difficulty, seeing that we are not represented in the Andamans.

Yours faithfully,

Deputy Clerk to
the Classification Committee.

The Surveyors,
BOMBAY.
