Dear Sir,

S.S. "ALICE MARIE"
No. 00923 in the Register Book.

We forward herewith for your information copy of a letter of even date addressed to Messrs. Thomsen & Co., a Firm of engine re-builders.

We would point out that the Firm has made a tentative enquiry only regarding the proposed rating of the engine, but it is thought well to advise you in order that further consideration may be given to the sizes of the original straight shafting, should this be retained, if the Owner decides to instal this engine.

Yours faithfully,
The Surveyors,
