QUESTION

ANSWER

With reference to my letter of the 18th February, I shall be glad to learn, by return, within what time it is expected that the ship will arrive in Italy and the outstanding machinery item receive the necessary attention.

[Handwritten signature]

Date:— 16th March, 1957

We are now informed by the Owners that the vessel is expected at an Italian port in May, and that the new tubes are in storage at Naples.
