Messieurs,

s/s "ZAHRA"  
=====

Referring to your letter of 15th December 1953 and our letter of 9th January 1954, we wish to inform you that the new bower anchor and fifteen fathoms of chain cable were received from Great Britain on January 30th 1954 and placed on board the s/s "ZAHRA" on 5th February 1954.

The s/s "ZAHRA" is scheduled to drydock on 18th February for hull scraping and painting. We shall not fail to renew the condenser tubes as required.

Yours very truly,

SOCONY VACUUM OIL COMPANY, Inc.
