Dear Sirs,

Re: S.S. "MEAD", Built in 1919.

With reference to the above vessel, we have been unsuccessful in obtaining drawings from Messrs. Smith's Dock Co. Ltd., the builders.

To obviate this we have been instructed by the new Owners to approach you to obtain a shell expansion and midship section drawing, which, we believe, should be still in your possession. If so, we would be greatly obliged to you if you would send these drawings by airmail direct to us.

We will be only too pleased to reimburse you for any costs through your Durban office.

Awaiting your early reply, we remain,

Yours faithfully,

GILBERT HAMER AND COMPANY LIMITED.

H. P. J. Appels.
