Dear Sir,

Steamers "NAVEM HEMBURY" & "BURY".

We received your cable concerning the "NAVEM HEMBURY", of the 29th. ultimo., and regret we were not in a position to reply immediately. However, from our cable of today's date, you will note that we reported that the Docking and the complete B.S. are arranged for January, 1962, at this port.

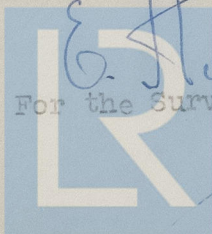

We also have to report that the outstanding case "BURY" is now at this port, the docking, B.S. and T.S. are being prepared for the 7th. instant and our report will follow in due course.

The same Owners' vessel "NAVEM MONICA" has been fully discussed at this time and the Owners have promised to give this case the full and necessary attention on or before March, 1962.

Yours faithfully,
