Dear Sirs,

Steamer "GENERAL SAN MARTIN"

I am in receipt of your letter of the 7th June and have to acquaint you that this case has again been reported to the Committee in the light of the information given by you.

The Committee note that the Owners have now made provisional arrangements to dry dock the ship about the end of July and, in the circumstances, they have deferred action for the time being on the understanding that this arrangement will be adhered to. It is concluded the opportunity will be taken to have the Special Survey commenced or a General Examination held for postponement of this inspection whilst the ship is in dry dock.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
BUENOS AIRES.
