The Owners Marine Superintendent called at this Office on the 1st instant, and drew attention to the records in Col.3 of Special Survey No.1 in these cases, stating that these should have been Special Survey No.3.

The records in the R.B. were based on the Committee's minutes of November 1st, 1921, and 28th October, 1921, - Southampton reports Nos. 11056 & 11041 respectively.
