Sourabaya, 13th April 1960.-

Dear Sir,

I wish to apologise for my late reply to this memorandum as at times it is impossible to get any information one may require. The first sight of this vessel or the Owners for months occurred when the vessel appeared in dry dock. The Owners was still of the opinion that the vessel was classed and requested a docking and machinery survey which I declined to do except for a quick look at the hull.

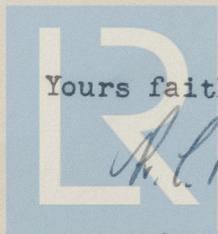

The chain cables have not being renewed as yet and as far as I could make out no attempt has been made to obtain them. Size of cable and length were given to the Owners who says he hopes to obtain them.

Yours faithfully,

A. C. Patterson

The Secretary,
LONDON.-
