SURVEYOR

24th May 1954

Dear Sir,

With reference to your letter of the 19th instant regarding the steamers "LLOYD CUARTO" and "RIO DAS ANTAS" - Copied
I have to inform you that nothing further has transpired. The prospective buyer, Mr. Hackmann, referred to in my letter of the 4th December last, telephoned last week asking if ~~it~~ the vessels had yet been surveyed, since he had been informed that certificates of survey had been issued. The certificates referred to, however, were those issued by Lloyd's Agents for Valuation purposes and had not been dealt with in this office. This gentleman stated that he would inform me further regarding the steps to be arranged regarding this Society's surveys, but this information is still awaited.

Yours faithfully,

M. Caldwell
Surveyor to Lloyd's Register.

Secretary,
LONDON.
