Dear Sir,

s/s "MATELOTS PILLIEN ET PEYRAT"

I beg to enclose a letter of the 21st December 1954, from Messrs. Compagnie Havraise de Navigation à Vapeur, giving notice of their decision of transferring the vessel to B.V. Classification at the date of the 1st January 1955.

I must add that I contacted the Owners in view of being informed about the cause of their decision, and was answered they had no complaint at all to put forward regarding the services of our Society neither of our Society's Surveyors but having another vessel classed with B.V. they prefer have both classed with one Classification Society for Administrative convenience and they have chosen the French one.

Yours faithfully,
