QUESTION

ANSWER

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the Boiler Survey which became due at the end of September last.

I shall also be glad if you will let me know their intentions with regard to this vessel being examined in drydock, as it would appear from the records in this office that she has not been seen in drydock by the Society's Surveyors since September, 1953.

Date:— 22nd December 1954

Owners state they do not desire retaining classification with L.R. and they are to have the vessel classed with B.V. at the date of the 1st January 1955. Confirming letter is sent to the Secretary to-day.

Yours faithfully,

*Delattre*
