6th March, 1957

Dear Sirs,

With reference to your letter of the 23rd April, 1956, relative to the "ISLAND MAPLE", "ISLAND CYPRESS" and "ISLAND BALSAM", I shall be glad if you will let me know by return whether these vessels are now in service, also whether conversion from tankers to non-propelled log cargo barges was carried out under the Society's inspection. If so, your reports should be forwarded as soon as possible.

I shall also be glad to learn whether the present Owners intend to submit the vessels to reclassification in the Society's Register Book.

Yours faithfully,

c.c.Pubs.

Clerk to the
Classification Committee.

The Surveyors,
VANCOUVER.
