Dear Sirs,

"HEMSLEY 1"

I acknowledge receipt of your letter of the 6th instant in which you say that "the above vessel was removed from Lloyd's Classification during her annual overhaul in August/September last", but think it well to explain that in the absence of any previous information concerning your wishes, the vessel's class has, up to the present moment, been maintained in the Society's Register Book. In view of your letter, however, it is now proposed to submit the case to the Committee with a view to the class being withdrawn.

It is assumed from what you say that a new Load Line Certificate has been issued by the Ministry of Transport, and I shall therefore be glad if you will kindly return to this Office for cancellation the Load Line Certificate and Certified Copy which were issued by this Society on the 12th November, 1956.

Yours faithfully,

pro Secretary
