Lloyd's Register of Shipping,

3, Steinhoeft,

Hamburg, 20th December, 1932.

Dear Sir,

I have pleasure in enclosing herewith freeboard verification form Rpt.C 12(a) for the steamer "DICTO".

With regard to the conditions of assignment I have to state as follows:-

All air pipes are fitted with wooden plugs and canvas covers;
Life lines are fitted on forward and after well deck;
Bunker hatches on the bridge deck and on the upper deck inside the bridge are in efficient condition.

The vessel is intended to stay at this Port for some time and it is suggested that the freeboard certificate might be forwarded to this Office for handing over to the Master.

A copy of this letter, also of the verification form enclosed are being forwarded today to the Oslo Surveyors.

I am, Dear Sir,

Yours faithfully

The Secretary,

LONDON
