

REPORT on the S.S. Vestvanger

~~It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.~~
Convention ordnance & timber deck cargo freeboards have been computed on the basis of the information supplied on Form C II and it is submitted the forms be put together with the freeboard certificate and two copies to the Surveyors.

They should be informed that the many Cargo Convention freeboards ~~not as~~ more favourable than those could be assigned under existing Norwegian Regulations No 9 and it is therefore concluded owners will desire the former boards, and the certificates have been prepared accordingly.

dealing with the issue of the ^{the 6th Surveyors.} ~~the 6th Surveyors.~~ certificates and copies should be guided by the usual procedure.
