DISCLOSED
SECTION

359

This vessel was built in 1944 for the Canadian Government and classed "10 A1 (Wood) For Government Service" in the "Ghost Book".

Information recently reached this Office that the vessel had been sold to Canadian Owners and in reply to enquiry the Vancouver, B.C. Surveyors forward a letter from the new Owners in which it is stated that they propose to use the vessel for fishing purposes and request that the classification be withdrawn.

IT IS SUBMITTED the class of the vessel be deleted from the "Ghost Book" and her particulars transferred to the Register Book as a disclassified ship.
