

6 7 4 11 Wales 4 n Limber

H.M.C.S. "LAVALLEE"

The "As fitted" elec. plans and First Entry Reports have been examined and found to be generally in accordance with the requirements of the Rules. No short circuit protection is provided for the large "L.L." Sweep Battery, but as this is a special Naval requirement, approved and accepted by Naval Authorities, it is considered no exception need be taken.

(sgd) L.J.B. & G.O.W.
