

POSTPONED SURVEYS.

Case of the **Ferrc-Concrete Vessel "CRETEHIVE"**

51031 in Reg. Bk. **708/658** tons, Built **1920-3**

Classed **+A1** Owners **H. Henriksen**

Annual Survey **5.22** **+DB 2.20** Port of Registry

*Operating in British Isles (except W. Coast of Ireland) and Continent - from
North of Pentland Firth, also Baltic Ports - April to October.
Subject to annual survey - Experimental.*

Survey Due Annual Survey due **5.23.**
Special Survey No.1 due **3.24.**

This case was last before the Committee on the 20th May, when the Bergen Surveyer wrote he was informed by late the Owners' Agent that the vessel was loaded with a cargo of salted herring and was likely to remain so for some time laid up at Haugesund, and he requested he might be allowed to postpone the carrying out of the above surveys for half a year. In the circumstances the Bergen Surveyer was informed that the Committee had deferred consideration of the case for a time, subject to the vessel not being put into service without having the outstanding surveys held.

Committee's Minute **TUES. 9 SEP1924** P.T.O.

Decision **Expunge Class with red line**
General Committee
Thursday 11th September 1924

Lloyd's Register Foundation

In reply to enquiry as to whether the vessel was
laid up the Bergen Surveyer now states she has been sold
to Mr. H. Henriksen, Sigluffjord, Iceland, and has left for
land without being submitted to survey.

Submitted the present
Order by communication
with and asked to state
what ~~off~~ arrangement he
proposes making with a
view to having the
above Special Survey
carried out.
