Annual Survey due 5,23.

In September last the late Owners stated this vessel was laid up and that the above surveys would be held before she was again placed in commission, and in the circumstances the Committee deferred consideration of the case for a time.

The vessel is now the property of Messrs. T.H.Skogland & Son A/S., and the Owners' Agent now states that she is loaded with a cargo of salted herring and is likely to remain so for some time laid up at Haugesund. He requests he may be allowed to postpone the carrying out of the Annual Survey and Special Survey No.1 for half a year.
