Dear Sir,

In answer to your enquiry regarding the "MONTENOTTE" and "PEPE CARAGOL", I sent you a paper on October 30th which stated how they were being employed, in the liquor trade, and I cannot find who are the Owners, in fact none will give information about them.

I did not see the "MONTENOTTE" in dock between July 1922 and June last, but at the survey held on the machinery then I saw the hull which was cleaned and painted and noticed that the pitting had stopped. As a survey was not held on the hull as stated in the margin of report No. 32, no report was written.

Regarding the "GENERAL CURRIE" I answered your letter as per enclosed copy, and to date have nothing to add to that report.

The enclosed from the Empresa Naveira de Cuba in answer to a letter drawing their attention to the fact that the "RAPIDO" was due for survey.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
London.
