Dear Sir

Your surveyor attended to-day  
I explained to me our position  
re our "Wypresdale". I have had no  
previous notification that the  
"Wypresdale" required examination by  
your staff so consequently I  
did not advise you accordingly.  
Our season is now on & it would  
be very inconvenient for me to have  
to stop the "Wypresdale" to have  
the shafts examined & seeing that  
she passed the Board of Trade  
Survey in June I would be  
pleased if you would defer the  
examination until next year when  
I can arrange for your Surveyor  
to be present at the same time as  
the B.C.T. Surveyor. If you could  
arrange this I would esteem it  
a favour.

I am, Sir  
Yours faithfully  
D Mc Keith
