Dear Sirs,

m.s. "BUG"

With reference to my letter addressed to you on the 30th October last, the Gdynia-America Shipping Lines Ltd., Gdynia, wrote on the 16th December that the ship would be drydocking later that month and that the Annual Survey would be held by the U.S.S.R. Register of Shipping.

Perhaps you will kindly let me know whether it will be in order, in view of the fact that the Screwshaft Survey became due last February, to submit the case to the Committee with a view to the class being dealt with.

Yours faithfully,

The Gdynia America  
Shipping Lines (London) Ltd.,  
47, Whitcomb Street, W.C.2.
