For the attention of Mr. Dobbie.

Dear Sirs,

On behalf of Mr. Gunnar Holm Jacobsen, we are asked to thank you for the copies of Hull and Machinery Certificates covering the proposed voyage of the "TEMARA" from Goole to the Faroe Islands for dismantling. These documents reached us safely on Saturday morning last.

In acknowledging these, Mr. Jacobsen has asked me to express his thanks and appreciation for the courtesy and attention which he has received in this matter.

Yours faithfully,
for DAVIES & NEWMAN, LTD.
