ANSD.....

Dear Sirs,

Thank you for your letter of the 2nd instant, we are sorry for delayed answer, but we wished Mr Hill our Marine Superintendent to see same and let us know his intentions with the "TEMARA".

Mr Hill will be in Goole, all being well, next week and will contact your Surveyor at that port. The ship should be there during the week having made the passage from Falmouth, and all matters relating to the respective surveys due will be thoroughly gone into and settled.

We trust that this will be in accordance with your wishes.

Yours faithfully.
