Dear Sirs,

s.s."TEMARA"  
-----

As you probably are aware we have purchased  
the above ship from the Vacuum Oil Co., Ltd of London.

The former owners have passed a letter of yours  
dated the 28th November, 1949, to us for our information.  
This letter dates the Load Line Survey for the "TEMARA"  
as 14th FEBRUARY, 1950.

The ship will be moved to Goole during the early  
part of February we hope, and there will be converted  
to a Cargo Vessel under your Classification Requirements.  
The Load Line Survey will be held with other Surveys as  
appropriate at Goole, and we trust that this arrangement  
will be acceptable and in accordance with your wishes.

Yours faithfully.

AGENCY ON BEHALF OF  
PLYM SHIPPING COMPANY LTD.
