# Lloyd's Register of Shipping.

Port of L A G O S.

17th February, 1949.

This is to Certify that I have

Part  
Surveyed the Boilers and Machinery of the S.S. TEMARA of London

1033 tons gross whilst the vessel lay afloat and on the dry dock at Lagos,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of B. S. 249

be made in the Register Book in the case of this vessel.

John Howarth.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
