Dear Sir,

m.v. "HIYEHARU MARU"  
R.M.C. Report No.9691

Regarding the Survey carried out at this time, with particular reference to items Nos.21 and 22 in our Report.

We have to inform you that the condition of parts exposed for examination, were found to be in very good condition, including the general condition of the other chambers, and it was not considered necessary to recommend further removal of insulation, and trust our action in this instance meets with your approval.

Yours faithfully,

  
For the Surveyors.

The Secretary,  
LONDON.
