8th February, 1935.

Dear Sir,

S. With reference to Glasgow First Entry Report No.55339 on the motorship "SAN AMADO", I shall be glad if you will be good enough to ascertain from the Surveyors and let me know whether the total length and capacity (in tons of salt water), as reported by them, are correct, since on the approved plans these compartments appear to extend from frame 10 to frame 37.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
