Dear Sir,

With reference to your letter "H" of the 4th January 1928, the Owners advise us that the vessel is expected at Naples but that she will only remain there for a day or two before proceeding to Port Empedocle, Sicily, to finish discharging. She may then be brought to Genoa direct, or she might proceed from Port Empedocle to Cardiff or Rotterdam, to load a cargo direct for Genoa. In either case, the Owners submit for consideration, the proposal to carry out all outstanding requirements on arrival at Genoa, where the surveys for the Registro Italiano will also be held.

We are, Dear Sir,

Yours faithfully
