LONDON

Dear Sir,

With further reference to your query form of 5th September 1927, and our reply on that form of September 10th 1927, we are advised by the Owners that the vessel has been ordered to Bremen and thence will proceed again to Montreal.

The Owners state that the Special Survey of the Registro Italiano is due in December next, and they ask the Committee to try to postpone until that date, the carrying out of our Special Survey No. 2.

They are prepared to submit the vessel to a general examination at Bremen if this is required.

We are writing them to point out that in any case the Boiler Survey should be completed at this time.

We are, Dear Sir,

Yours faithfully

The Secretary,  
London.
