INTERNATIONAL CONVENTION 1930 RESPECTING
LOAD LINES.RENEWAL SURVEY IN ACCORDANCE WITH
ART. 14 OF THE CONVENTION.(Port) PIRAEUS.(Date) 23-1-35

I have to report that I have surveyed the

"S.S. ALIKI" of PIRAEUS. O.N. 709 (GREEK).

on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The certificate and certified copy has been endorsed on Page 2, and renewed until 30th April 1935 (30/4/35).

S.S. 2nd No. 1 has been completed this time.

It is requested that the new certificate and copy be forwarded to this office for issue to the Owner.

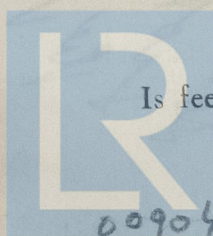

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. 5568 dated 6/12/33 which is returned herewith. Has been retained on board meanwhile.
