Dear Sir:

Referring to your letter of the 3rd October last respecting the "URDANETA", I learn that the vessel has been sold to Senor Juan Ciral of Maracaibo, as of January 5, 1951.

Mr. Holness, the Society's Surveyor at Aruba, has been asked to obtain the particulars of new ownership for the Register Book and to point out to the new owners that the vessel is overdue for Special Survey, Boiler and Screwshaft Surveys.

Mr. Holness has not succeeded in obtaining the necessary information but will endeavor to get in touch with the new owner on his next visit to Maracaibo, which he hopes will be in the near future.

Yours faithfully,

Principal Surveyor, U.S.A.

The Secretary
