Recd 17/8

20th April, 1945.

CURACAO.

"URDANETA".

12th July, 1945.

I shall be glad if you will
in and let me know what
ments are proposed to be made
out a survey for the renewal
Load Line Certificate, which
on the 30th June next.

At the same time I have to refer
your report No.2506 and to point
t a further General Examination
verhull will require to be held by
of October next. It is therefore
pected that this matter will receive
on concurrently with the Load
urvey.

The Owners state this vessel
will be docked end of August or
first week in September, if present
arrangements hold, when General
Examination and Load Line Renewal
Survey will be attended to. In
the meantime the Load Line Certifi-
cate has been extended by me to
31st October 1945 (four months)
to cover the possibility of delay
in docking. Report now in the mail.
