Dear Sirs,

ss "HOLLAND"

We herewith beg to inform you that on the 20th of February 1937 our ss "Holland", which is trading in a coastal service in Portuguese East Africa, lost her S.B. anchor.

We could purchase another anchor, which was shipped to East Africa per ms "Bloemfontein" on the 24th of February 1937, however we were unable to have the certificate for this anchor (issued by Bureau Veritas) countersigned by Lloyd's surveyor.

As, according to an information received from our agency at Beira it is not possible to have this certificate legalized at Beira, we are sending the document to you and shall be very pleased if you will provide same with your endorsement.

Yours faithfully
