Dear Sirs,

S/S "Olimpia"

we are really sorry for the decision taken by your Committee. we have to tell you once more that it is our intention to place our steamer again under classification with your Society as soon as the economical situation will improve.

Therefore the decision of your Committee does not seem to us to be a reasonable one. We presume it would be much better that this steamer should be cancelled for having forsaken the Class and not for non compliance with the Society's Rules, what not even be exact.

We ask you, therefore, to revert to your decision and to look the matter through with a certain benevolence.

Yours very truly
