Naples, 10th. November, 1933.

Dear Sirs,

ss. " OLIMPIA "

Owing to the usual economical reasons we regret having to inform you that, also for this vessel, we are compelled to abandon the Classification with your Society. Whilst begging you to inform the London Office accordingly we beg to express all our regret for such a decision taken by us and hope to resume the Classification with your Society as soon as the crises is over.

Yours faithfully,
