The Secretary  
Lloyd's Register of Shipping,  
71, Fenchurch Street,  
E.C.3.

Dear Sir,

re:- s/s "OLIMPIA"

With reference to your letter of the 3rd November last respecting the steamer "Olimpia" I regret to have to trespass again on your courtesy.

I shall be obliged if you will kindly inform me for what reason in 1925 you agreed, at the owner's request, to record the date of build as July 1920 instead of 1916.

I would also like to know if at the time of the launching (1916) the construction of the vessel was as advanced as in the case of other ships.

Thanking you in anticipation,

Yours faithfully,  
for the Royal Italian Consul-General

Vice-Consul
