Dear Mr. Scott,

Many thanks for your letter of yesterday
with enclosure.

I do not doubt that your explanation by
telegram will be all Mr. Lauro wants. For your private guidance,
the Italian Government give a subsidy to Italian Owners providing
their ships were not built before 1920, hence Mr. Lauro's
business to know the exact date.

How can a poor British Shipowner live when
every Government except our own are subsidising Shipping.

Yours faithfully,

A.S. Chambers.
