B.S. 5.44.
TS CL N9.43.

Survey due A Special Survey No. 1 due 5.45. (Vessel 24 years old)
Boiler Survey 5.45. including the drilling of the plating.

Proposed to be held at Punta Arenas

The attached letter has been received from Lloyd's Agents at Punta Arenas.

Submitted the Lloyd's Agents at Punta Arenas be authorized to appoint a competent & independent Surveyor to carry out the Survey. In view of the vessel's age and the importance of the Survey great care should be exercised.

Particulars the plating thicknesses should be forwarded for the Surveyor's guidance & he should be informed that the inspection of the various parts of the structure & equipment & testing should be fully set out on the appropriate forms, provided for that purpose. [A specimen report should be also enclosed for guidance]
