Date: 5th July, 1945.

The Name: S.S. "RIO VERDE".

Request: I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made to carry out a Special Survey No. 1, which became due at the end of May last. You will observe that this includes the Boiler Survey.

S.S. "RIO VERDE"

Remarks:

Date: ~~12/8/45~~ 28/8/45

Owners state that vessel is to be beached on their slips for repairs, in September next and they propose having all Surveys carried out then. Lloyd's Agent at Punta Arenas (where Survey will be held) is to attend to the matter and will probably appoint some qualified Person to carry out the Survey, this appears to have been the procedure for former Surveys.
