Dear Sir,

s. s. "SNAEFFELL"

Further to my letter A of the 11th. instant in reply to yours of the 6th. instant respecting the above vessel.

I have now to advise you that on the 13th. instant we received a further notification from the Ministry of War Transport, Whitehall, London, intimating that the "SNAEFFELL" is released from requisition, and as regards her future disposal the Minister has no objection to our selling her to an approved buyer for break-up purposes, but would not see his way to sanction her transfer to a foreign flag.

Yours faithfully,

A. E. Teare

General Manager.
