Dear Sir,

s. s. "SNAEFELL".

In reply to your letter of the 6th. instant.

The above vessel made her last trip on Monday, 2nd. July, from Fleetwood to Douglas, and she is now laid up at the Tongue, Douglas.

I have just ascertained that the present intention of the Director General, Ministry of War Transport, London, is that the "SNAEFELL" is to remain laid up here until about the end of September, and at that date we are to again renew our request respecting her disposal or otherwise.

Yours faithfully,

A. E. Teare

General Manager.
