Liverpool, 3, 6th July, 1945.

Dear Sir,

With reference to your letter of the 28th ultimo, referring to the steamer "SNAEFELL", I have to acquaint you it has been ascertained from the Ministry at Fleetwood that this vessel has been withdrawn from service, but it is not yet known what are the Owners' intentions in regard to the necessary repairs.

An enquiry, however, is to-day being addressed to the Owners, and I will advise you on receipt of their reply.

I am, Dear Sir,
Yours faithfully,

The Secretary,
