

Lloyd's Register of Shipping,

201, Tower Building,

Liverpool, 27th May, 1929

Dear Sir,

With reference to the Freeboard Verification Form forwarded herewith for the steamer "PEVERIL" building by Messrs. Cammell Laird & Co. Ltd., I beg to state that the centre of disc has been marked at 4'11" instead of 5'0" in view of the fact that the wood deck amidship is only $2\frac{1}{2}$ " thick instead of 3" and the stringer plate $\frac{1}{4}$ " in thickness.

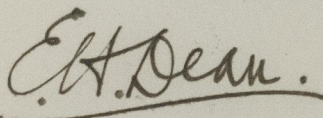

This vessel is intended to go on trials on Wednesday first and the builders request that the certificates may be forwarded by then.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LIVERPOOL.
