Dear Sirs,

Turbine Express Steamer : No. 444.

In connection with the Anchor & Cable and Hawser Outfit for the above vessel, we have received a letter from the Owners, Messrs G. & J. Burns, Limited, in which they state that they will accept the Anchor and Cable Equipment as required by you, but that it is necessary that the Hawsers should be as specified, viz:-

- | | | |
|------------------|---------------------------------|-------------------------------------|
| <i>rule</i> | <i>145 fms 3 1/4 steel wire</i> | <i>as appd</i> |
| <i>90 fms 12</i> | 1 Hawser 8", 90 fathoms, | <i>1 - 145 fms 3 1/4 steel wire</i> |
| <i>2-90 " 7</i> | 1 do. 7", 100 do. | <i>1 - 90 fms 9"</i> |
| <i>2 90 " 6</i> | 2 do. 6", 95 do. each. | <i>1 - 90 " 9</i> |
| | 2 do. 6 1/2", 95 do. each. | <i>2 - 95 " 6 1/2"</i> |
| | 1 do. 6", 95 do. | <i>3 - 95 - 6</i> |

We shall be glad to hear at your early convenience that is acceptable to you.

Yours faithfully,

THE FAIRFIELD SHIPBUILDING AND ENGINEERING CO. LIMITED.
