Dated 15th June Vessels "GENERAL SAN MARTIN" "GENERAL PUEYRREDON"
"PRESIDENTE PERON" "EVA PERON" "SAN JULIAN"

I have to inform you that this company is interested in retaining the 100A1 Class assigned by you to the tankers being built in Cammell Laird & Co.Yards, of which recently the "GENERAL SAN MARTIN" and "GENERAL PUEYRREDON" were incorporated to our fleet of tankers and during the current year the "PRESIDENTE PERON" and "EVA PERON" will also be incorporated. We point out that the mentioned constructions were carried out under Lloyd's supervision.

It is also desired to retain in the said classification the steam Tanker "SAN JULIAN" T2 type- "Ex- "Alpha Limpopo" (Built 1943).

We will appreciate if you will kindly inform us with sufficient anticipation in each case, the dates in which these five units have to be surveyed.
