Dear Sirs,

Steamer "POLLY"

Reverting to my letter of the 14th April, I am now informed by Lloyd's Agents at Mormugao that the vessel arrived there on 25th April and that on 28th April they wrote to the Master reminding him of the survey that was required.

On 8th May, Lloyd's Agents were informed by the Master that he had received a cabled reply from the Owners reading "Lloyd's regauging unnecessary".

As it is evident that the Owners do not propose to comply with the Committee's requirements in this instance, there is no alternative but for the class to be expunged owing to non-compliance with the Regulations.

This action has been taken today and I have requested you by cablegram to inform the Owners accordingly.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
YOKOHAMA.
