# Lloyd's Register of Shipping,

17 Battery Place,

New York.

July 7, 1938

Dear Sir:

I am forwarding herewith copies of letters addressed by the Department of Commerce, Washington, to Aboitis & Company, Inc. and Visayan Transportation Co., Inc., both of Cebu, Cebu, P. I., which are self-explanatory.

So far as we can ascertain there is no information in this office regarding these vessels and I shall be glad if you will forward sufficient information to enable us to make arrangements for the Load Line Surveys to be carried out.

It may be that the vessels are being built in Europe and I am therefore enclosing a few copies of the United States Freeboard Report form and I shall be glad if you will forward these to the Surveyors concerned in order to avoid delay in assigning Freeboards.

I am, Dear Sir,

Yours faithfully,

*W. Bennett*  
Principal Surveyor  
U. S. A. & Canada

The Secretary
